at

Make it & Knit&Stitch it 2017

Friday 24 and Saturday 25 February, FIVE, Farnborough

Be one of the first to see the latest crafty designs and techniques at two of the top Craft Shows in the UK - 'Make it' and 'Knit&Stitch it'. These inspirational and incredibly popular craft supplies shows are taking place at FIVE, exhibition centre, in Farnborough on Friday 24 and Saturday 25 of February 2017.

Join thousands of show visitors keen to develop their crafting skills and discover both traditional and new and cutting edge crafting methods. These shows give both high profile brands and specialist niche craft companies the opportunity to showcase their designs and products to a wide audience of all skill levels. There is something for everyone, regardless of how experienced they are. From absolute beginners right through to the most advanced crafters, at these inspirational events, there is a lot to discover and learn.

Show Organiser, Kate Valentine says; "Our main aim is to give our visitors the opportunity to experience new crafting techniques for themselves. The whole event is jam packed with chances to get hands on via FREE make 'n' takes, live demos and our extensive workshop programme. We aim to ensure we have something for everyone who attends! Make it offers papercrafters and those keen on art and paper and card based techniques an unrivalled line-up of products – many at special show bargain prices. Alongside this is Knit&Stitch it, an event dedicated to needle and material based crafting disciplines. The two combine to give our visitors an ultimate craft experience."

Make it and Knit&Stitch it are especially well known for their spacious shopping aisles, freedom of movement for disabled visitors, free admission for accompanied children U16's and convenient free parking for all.

"Our two day value ticket option is designed to ensure visitors still have lots of time to experience all the shows have to offer," adds Kate.
