THE STUDIO PARTNERSHIP – STAND L34

Learn the art of decoupatch. Take a seat and learn the basics of decoupatch to transform the most basic of objects. Or learn how to use embossing powders to give a real WOW to your piece.

HOBBY ART – STAND S20

Instead of Workshops, the following exhibitors have elected to run Make 'n' Takes from their stands
Scroll down to see what's going on ...

Make and Takes

Some Make and Takes will have a timetable throughout the day, others will be simply turn up and sit down. Please visit the stand.

GLITZCRAFT – STAND K15

Choose your stencil and turn it into a card to take home.

PINK INK DESIGNS – STAND U20

Join Cathie and Mel for a free, fabric painting make and take, with top tips and techniques. No booking required.

[Click on the blue links to view photo](#)

SAMANTHA K CRAFTS – T27

Whimsical art board with stamping and texture.

THE ARTY CRAFTY PLACE – U30

Block Print a Tea Towel or Tote Bag £5

Learn the craft of Block Printing with us where you will print your own Tea Towel or Tote Bag once you have practised on fabric. You will leave with the knowledge and skills to continue printing at home. All our wooden blocks have been designed by us and hand carved in rural India. You will be amazed at the results you can achieve.

BADFA – STAND U38

The British Association of Decorative Folk Art offer you the opportunity to sit down and have a go at this old art of decorative painting. If you love it, you may be able to transform some your old “seen better days” furniture at home.

SWEET POPPY STENCILS - 033
